

HAMPDEN DISTRICT ATTORNEY DRUG FORFEITURE COMMUNITY SUPPORT PROGRAM

Hampden District Attorney Anthony D. Gulluni is dedicated to working with non-profit organizations in Hampden County to foster drug education and anti-drug programs, along with neighborhood crime prevention initiatives, which support the crime intervention and prevention goals of the office. As part of this initiative, the District Attorney's Office intends to make funds available through a discretionary donation process that will provide monetary support for the important community-based efforts operated by organizations and programs that share these goals. The provision of these funds by the Hampden District Attorney's Office is authorized by M.G.L. c. 94C, §47(d), which allows the District Attorney's Office to expend monies received by way of drug forfeiture orders for the purposes of drug rehabilitation, drug education, and other anti-drug or neighborhood crime watch programs. Additionally, all programs receiving these funds must, by statute, file an annual report with the District Attorney which shall include, but not be limited to, a listing of assets, liabilities, itemized expenditures, and Board of Directors of such program.
